

ONE

living for Christ together

Mission

Our mission at Covenant Life Church is to make disciples of Jesus Christ who are built on the Word, empowered by the Spirit, and go into all the world with the gospel of God's grace (Matthew 28:18-20).

We want to equip each member to live according to Christ's commission because they passionately love God & are committed to Him. We believe loving Christ & participating in His mission are synonymous. It's our desire that every follower of Christ love Jesus through their participation in the mission He has given the church.

Our goals for 2012 that stem from the mission are reflected on the following pages.

For full event details & dates visit the Singles Ministry webpage: www.covlife.org/one
